## **Booking a Front Line Vehicle in the event of no NTS ambulance crew**

Telephone LAS Emergency Operations Centre on 0207 827 4525

Or Supervisors desk 0207 921 5197

State that you are the London Neonatal Transfer Service (aka BETS) and you need an ambulance for an emergency / elective transfer of a baby

### **You will need to tell them:-**

- You need the ambulance to collect the team and the incubator from the Royal London Hospital (Neonatal transfer team office via main entrance, on 8<sup>th</sup> floor opposite Ward 8D)
- To go to XXXXX hospital to collect baby
- Delivering the baby to XXXXXXXX hospital
- Then return the team and incubator to the Royal London Hospital
- If NTS time critical then refer request as 'RED 1'

**State clearly that you will need a new front-line LAS Mercedes ambulance with three pin plugs in the back.**
